About Suberashi Photo
Suberashi photo is a photography company based in Worcestershire. The aim is to deliver images that have real depth and meaning for product, brand, commercial and landscape photography.
Behind Suberashi Photo is me, photographer Stacy Guiney. Coming from a world of sneakers, music and street and counter culture, the creative bug took hold this was in the form of documenting the things I love. Then... Suberashi was born , the word translates from Japanese for "excellence" not a bad aim to have. Thats been the goal offer great work for clients to be proud be associated with

Previous work

I have had the cool privilege of working with some great and diverse brands from Boxfresh UK, Rouge Trade Records, Salvage Cinema, UK sneaker clothing giant SIZE? Morgan Cars UK oh of course I've done the odd wedding... And the small matter of shooting rock legends Black Sabbath. Diverse and amazing work so far...

What we offer
Image content for product, brand, business and landscape commissions. Happy indoor or outdoor all the tools are there to deliver. Both digital and film medium is used and stimulates creativity. Storyboard and ideas for content delivery brainstorming all that good stuff is part of the relationship too.
For day rates they start at £250.00 a day excluding the expenses for travel and accommodation if needed.
longer projects or commissions feel free to discuss those with me. All the legal stuff can be discussed when needed.
